SAFETY EVERYWHERE

Idrofoglia Safety Systems is a young and dynamic company specialized in the project and manufacturing of fire fighting systems and hydro and civil pressurisation units. Idrofoglia Safety System is a safe and reliable partner thanks to its will to stand out and the solid experience of the founders that have been working for more than 30 years in the water treatment sector.

Our aim is to totally satisfy the customers through a constant innovation of our products and services. We're always at our clients' disposal in order to anticipate and understand their needs thanks to technologies always at the forefront and to our highly specialized staff.
